This day-long event will feature multiple topics on seaplane safety with a review of state regulations pertaining to float flying in Maine and New England. Subjects include, but are not limited to; seaplane accident prevention, aquatic invasive species and seaplane fly-in destinations. Renowned vendors and manufacturers will be present with information on new technology and the latest in aircraft electronics. Learn from the pros and refresh your seaplane safety skills.

***Directions:*** Rte 302 to Rte 114 (in Naples). Turn onto Rte 114 and proceed 2/10ths of a mile. Turn left onto Seaplane Cove Rd. and proceed to parking.

### **A message from the National FAASafety Team Manager**

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
